

Bruce-Grey Catholic District School Board

Committed to a vibrant Catholic education, we ensure quality learning experiences through community partnerships that nurture each student in body, mind and spirit and embrace the teachings of Christ, giving witness to Gospel values.

Catholic Schools represent one of four publicly funded school systems in our province, making Ontario among the best in the world.

The Catholic faith is not only part of our curriculum, it is a way of life and being. Prayer is infused in our teachings throughout each day and in response to life's celebrations and challenges. Our Catholic teachings are embedded in every subject area and delivered by our professional Catholic academic staff.

Our Catholic Schools promote a culture of deep caring, and prepare our graduates to be discerning believers, effective communicators, reflective, creative and holistic thinkers, self-directed, responsible, lifelong learners, collaborative contributors, caring family members, and responsible citizens.

Our Bruce-Grey CDSB Family of Schools...

Catholic Culture of Deep Caring

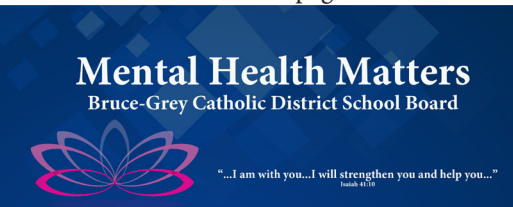

Ten key virtues reflect the qualities of character we desire to see alive in everyone in our Catholic school communities. We focus on, and practice in a particular way, one virtue each month.

"When we graduate a student, we don't ask 'what did you learn' but 'who did you become?'" - Sister Clare Fitzgerald

Mental Health Matters

The Bruce-Grey Catholic District School Board honours and recognizes that mental health and academic achievement are interconnected. Students are supported in enjoying life to the fullest and achieving their God given potential. Respecting dignity of the human person, inclusion and building resiliency enables us to 'Let Our Light Shine'. Follow us on Facebook and Twitter @MentalHealthBG, or check out our *Mental Health Matters* page on the board

Christian Meditation

Christian meditation provides our children with a space of stillness, silence and simplicity in a world that bombards our students with noise, stimulus and messages to keep busy.

Christian meditation helps our children to share in the Divine, while reducing anxiety, stress and tension. Christian meditation is a means to help children experience God in the depths of their hearts.

- ✓ Inquiry Based Learning
- ✓ Project Based Learning
- ✓ Boardwide STEAM Faire (Science Technology Engineering Arts and Math)
- ✓ Innovation Labs
- ✓ Innovative Classroom Environments
- ✓ Technology in the Classroom
- ✓ Future Design School Partnership

Plus..

- ✓ Focused Math Strategy
- ✓ French as a Second Language (FSL) Kindergarten to Grade 12
- ✓ DELF Certification for FSL

Design Thinking and Global Competencies of the Future

Bruce-Grey Catholic DSB continues to prove its commitment to 21st Century learning, and developing global competencies in its students. The Board's focus to-date has included investments in technology, innovation labs, inquiry based learning, project based learning, and 21st Century learning skills.

Bruce-Grey has entered into a partnership with the Future Design School (FDS) at the Medical and Related Sciences (MaRS) Centre for Innovation in Toronto. FDS provides programs to help educators build design thinking into the school experience across the curriculum through teacher training, innovation audits, training of system leaders, certification of teacher champions and on-line support.

You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

Matthew 5:14-16
